Placing an order for animal portrait(s): Your ideas of how you want your pet depicted will be initially discussed. Then photographs, either emailed or posted will be reviewed and chosen. A 50% deposit is required before the portrait can be started.

Proofs and final Portrait: Two progress shots of your painting will be sent to you for review. A digital image of the final painting will be sent for final review and approved. Once you are completely satisfied with the painting, your final payment will be required before the release of the original.

Turnaround: Turnaround varies depending on projects already in progress. It is recommended to allow four to six weeks in advance if you have an important date that needs to be met in order to get your order on schedule. Christmas orders need to be placed two to three months in advance. Gift certificates are available if time does not allow for a special delivery date.

Photographs: Please keep in mind that the final portrait is directly related to the QUALITY of the photograph. More than one photograph can be included to assist in showing detail and personality for the artist.
